Please state your observation on the applicant's suitability for the programme, together with any other information, which might assist the University in making a decision. Applicants have the ability and willingness to learn in-depth knowledge, especially in the field of Human-Computer Interaction/Interaction Design. In addition, he has research and teaching experience in this field, maintains a high standard, and can adapt to new things, especially in the academic area. The applicant also has experienced studying abroad during his master's at NUS (Singapore), which will significantly help him in his Ph.D. journey. Therefore, I recommend that applicants be accepted into the Doctor of Philosophy in Information Technology study program at Multimedia University. *Continue on a separate sheet if necessary. 6. INSTITUTE FOR POSTGRADUATE STUDIES

POSTGRADUATE PROGRAMME REFERENCE FORM (CONFIDENTIAL)

INFORMATION FOR CANDIDATE

- 1. The candidate shall send the reference form(s) to his/her referee(s) requesting that the reference(s) form be completed and sealed in an envelope. The referee(s) shall sign across the seal and return to the candidate or forward to IPS, MMU.
- 2. It is the responsibility of the candidate to ensure the reference forms are forwarded to IPS, MMU within two weeks after the deadline of application.

PART I: TO BE COMPLETED BY THE APPLICANT

Name of Applicant (in BLOCK CAPITALS): MARCELLINUS FERDINAND SUCIADI

Programme Applied: Doctor of Philosophy (Ph.D.) Information Technology (by research)

Campus: Cyberjaya

PART II: TO BE COMPLETED BY THE REFEREE

1. How long have you known the applicant and in what capacity?

I have worked with the applicant as a colleague since 2009, and we have often worked together on research, community service, and co-lecturing.

2. How do you rate his/her academic ability?

The applicant can demonstrate high determination during study and work. I know the applicant for his adaptability and great passion for learning new things and pushing himself to be an expert in that field.

3. Taking overall view, what do you consider to be the applicant's major talents and strengths? What do you consider to be the applicant's major weakness?

The applicant's considerable talents are thoroughness, perfectionism, and the ability to adapt to change, which suit his current field of work. The applicant's biggest weakness is that it is easy to get distracted from other things outside of his main task, but this is because he has a high level of curiosity and an urge to learn.

4. Please rate the applicant in relation to the following aspects:

		Outstanding	Good	Average	Poor	Unable to Assess
Α	Intellectual ability.	1				
В	Capacity for original thought: e.g. Ability to initiate new ideas		✓			
С	Organisational ability: e.g. Ability to work with others & leadership quality.		✓
